Take That in Christ Church!

During November, Christ Church was the setting for a very special collaboration between Take That and the Manchester Survivors Choir. As part of a special anniversary documentary chronicling the past 30 years in the life of the band, the Manchester Survivors choir came to Christ Church to sing one of Take That's best known hits ('Never Forget') and were surprised by a visit for the three remaining band members, who joined then for an encore. The documentary was aired on BBC1 just after Christmas, and showed some great shots of Christ Church. Our church has been used to hearing some good music in its history and it was a pleasure to add Take That and the Survivors Choir to that list!

Community Café—Four star kitchen!

Our Community café has been open every Monday morning (10am-12pm) since late September, and has been a great place of welcome, serving hot drinks, food and providing a safe place to socialise. During January, the parish kitchen had its first inspection from Trafford Council Food Hygiene inspectors, and we got awarded 4 stars on the Scores on the Doors! Thanks to all those who worked so hard to maintain safe standards in our kitchen - well done team!! If you haven't already, do pop in on a Monday!
